Featured resources: zoom security refresher after a relatively clear fall semester, we saw two instances of " Zoom stamp" already this spring. As a reminder, you have several options to protect against unwanted visitors joining the zoom sessions. See the best zoom practices for running your zoom meetings, also mentioned in our academic technology page and faculty Resources bulletin on January 22nd. Featured event: brightspace and beyond training camp May 24-26, 2021 this three-day workshop is designed for all faculties. that you are teaching online for different semesters or that it is new to teach online, this practical workshop will benefit you. facilitators will focus on d2l tools and recent updates, as well as on other academic technologies that can be used to increase online courses. Register [View/download full time](#) also see the events page for zoom and registration information. accessibility is an important consideration in all aspects of teaching and learning, and especially in critical online learning environments. Discover these tutorials to help you in your efforts to make your courses accessible to all students. Learn more about accessibility we are happy to meet teachers who are interested in building a new course, review an existing course, or want to discuss ways to integrate new technology into their teaching practice. view course design resources our staff facilitates in-person brightspace workouts on campus every semester,summer. See the Events and News page for a full program of these learning opportunities. The development programs and services of Brightspace Resources Faculty include those coordinated by the teacher and learning director and D2L site administrators and programs coordinated directly from the college faculty. Explore programs and services We provide eLearning support for D2L resources, Course Design, Academic Technology, MediaSpace, Zoom Web Conferencing, Respondus Quiz Generator, D2L Quiz Conversion Tool, ReadSpeaker/TextAid, eBooks and Direct Digital Materials, Accessibility Resources, Open Educational Resources and much more! Explore resources This collection of resources and support efforts of our staff are aligned with our college values, in particular: Excellence: Focus on the quality of programs and services, Innovation: Encourage and reward new ideas, proactive thinking and use of evolving technology, and Accounting: Maintain effective and efficient programs and services.
