Alternativelyyou can choose to share your download links on blogs, forums and social networking sites. Just upload the file you want to share with your friends and we sendyou a download link to your file. We have no file size limit. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Simplyupload your file and share the link. So try our free and simple filehosting service now. Files transferred the old-fashioned way tend to pile up and be forgottenabout, eventually costing you money in data storage fees. Using file, you can circumvent those limits without paying to upgrade your team chat service. Youcan upload any type of file (movies, music, documents, images, zip files and more). You don't need any special software installed to be able to download yourfiles. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. You decide who you want to share your files with. File is free to use with no gotchas and no hidden fees. Files can be downloaded from any computer from our high speed servers. Unfortunately, we can't make that part free. filehosting provides an easy possibility for you to send large files to your friends. Our service is completely free for everyone. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Any file in any format can be uploaded and downloaded for free. Keep your files private, or send your download links only to friends or family. It is also allowed to link to
