Maybe even better than free.

File is free to use with no gotchas and no hidden fees. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. filehosting provides an easy possibility for you to send large files to your friends. There are no restrictions on the number of times a file can be downloaded. Unfortunately, we can't make that part free. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Using file, you can circumvent those limits without paying to upgrade your team chat service. You can give this download link to your friends by mail or instant messenger. You don't need any special software installed to be able to downloadyour files. Files can be downloaded from any computer from our high speed servers. The cost of that data transfer is covered by your internet service or the dataplan on your phone. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between yourcomputer or phone and our servers, then from our servers to your friends device. You can upload any type of file (movies, music, documents, images, zip filesand more). You decide who you want to share your files with. It is also allowed to link to the download page from websites and communities. We have no filesize limit. Keep your files private, or send your download links only to friends or family. Any file in any format can be uploaded and downloaded for free. Justupload the file you want to share with your friends and we send you a download link to your file. If only we could, we surely would! On the other hand, usingfile can actually save you money. Simply upload your file and share the link. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing
